December 29, 2009

In response to our request for the annual cleaning, Mr. Tim Peterson arrived at 16xx 79th Avenue on December 21, 2009 with a group of workers.

Mr. Peterson, the young man, Mike, and several young women worked diligently on Monday, and then returned on Tuesday to complete the cleaning.

The entire project was extremely well organized by Mr. Peterson. He is to be commended for his planning and its execution.
